Shape Coding – Part 1

Teaching spoken and written grammar to school-aged children with language disorder

With Dr Susan Ebbels

9th October 2018: 9.15 – 3.30pm

Bishops Wood Centre, Crossway Green, Stourport on Severn

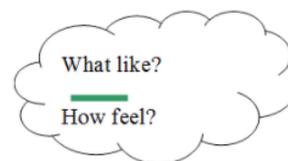

New to Worcestershire

Don't miss this brilliant opportunity to spend the day with Dr Susan Ebbels, Director of Research and Training and Highly Specialist Speech & Language Therapist at Moor House School and College, Surrey.

"Shape Coding by Susan Ebbels"® was designed to teach **spoken and written grammar** to school-aged children with language disorder. It has been developed over the last 20 years primarily for children with language disorder, however it has also been successfully used for children with hearing impairment and children with Down Syndrome.

This course teaches the basics of Shape Coding and how to use it in the classroom or in small groups. You will learn how to use Shape Coding to help teach basic sentence structures, vocabulary, suffixes, narrative, forming simple questions, tenses and an introduction to conjunctions.

This practical day includes videos of therapists using the system with a variety of children, practical sessions to improve understanding of the system and group discussion and activities on how you will introduce the system in your school.

£135 per place

Only 30 places available!
